

You will need:

- Copy of gorilla hand print
- Copy of gorilla coloring sheet
- Paint
- Markers, crayons, color pencils

Directions:

Option 1

1. Print out the handprint.
2. Apply a thin layer of paint on your hand and put your handprint on top of the gorilla handprint.
3. Who has the biggest hand?

Option 2

1. Print the gorilla coloring page.
2. Color the page.
3. Make a pledge to help gorilla habitats.

You will need:

- Copy of gorilla hand print
- Copy of gorilla coloring sheet
- Paint
- Markers, crayons, color pencils

Gorilla Nest

Ideas for activities at home:

1. Research and make a list of the different reasons why gorillas are great apes and not monkeys.
2. Draw a picture, write an essay or poem or whatever way you like to express yourself telling us your favorite thing you learned about gorillas today.
3. Forage like gorillas:
 - Fill a small kiddie pool or any large container with shredded paper, leaves or hay/straw.
 - Hide toys, candy or any small object in the pile.
 - Have kids forage through the pile to find their “food.”
4. Make a gorilla nest:
 - Gorillas build round nests out of leaves and small branches every night.
 - Go outside and using leaves and branches in your backyard, make a comfy nest.
 - Or stay inside and make a cozy nest out of blankets, pillows, etc. found in your home.
